

KELSEY WILLIAMS

Kelsey Williams has more than forty years experience in the financial services industry, including fourteen years as a full-service financial planner. During his time as a financial planner (retirement planning, investments, asset allocation, tax strategies, securities, insurance, etc.) he was a frequent public speaker and also has experience in radio and television.

Prior to that, he provided sales training and administration of various investment services to twelve different banks in four states.

Other experience includes tax-advantaged investments and limited partnerships in real estate and research & development.

In addition, he advised clients and provided trading advice about gold and silver during the 1970s.

His website, [Kelsey's Gold Facts](#), contains self-authored articles written for the purpose of educating and informing others about gold within an historical context.

In addition to gold, he writes articles about inflation, interest rates, and the Federal Reserve.

Kelsey is the author of two books: [INFLATION, WHAT IT IS, WHAT IT ISN'T, AND WHO'S RESPONSIBLE FOR IT](#) and [ALL HAIL THE FED!](#)
